

IGNITE BEATS

Tech House, Tribal House, Afro House

West London, UK. Available for clubs and festivals worldwide.

BIOGRAPHY

IGNITE Beats is a West London tech house DJ and producer. A professional DJ long before the IGNITE Beats name, he has released 28 records since 2023, including reworks of Robin S, Calvin Harris and Artful Dodger and tracks played on BBC Asian Network, moving between tech house, tribal house and Afro house with Latin rhythm running through it all. Percussion and groove come first. He is available for clubs and festivals in the UK and worldwide.
